

ABOUT LADIES GOLF

The **OBS Ladies Golf Network** is all about creating a comfortable and social environment for like-minded businesswomen to learn and enjoy the game of golf while offering numerous opportunities for networking.

OUR PROGRAM:

Program includes:

Regular coaching clinics and on course play at a level to suit each individual's needs plus providing opportunities to socialise with other women.

Inclusive environment:

Our aim is to provide a welcoming and inclusive environment for women to join our clinics, social events and of course to participate in a game of golf.

Range Access:

Following the 8 week coaching program participants are also provided with free club hire and unlimited access to the Observatory Driving Range during the program and for a period of one month after.

It is our aim to **ENGAGE, EMPOWER & offer SUPPORT** during these Golf Clinics and Golf Days

Our events empower new, intermediate and experienced golfers alike and teach skills that last a lifetime. We are all looking for meaningful ways to socialize and stay connected with family, friends and work colleagues. Golf offers a perfect platform to create connections and to be part of a larger initiative.

This collaborative effort supports the interests of women wanting to learn golf and get more involved! We are working with golf management companies, retailers and more to create a one-day experience that leads to a greater interest in golf by women for themselves and their families. Our golf programs are the perfect way to start.

The **OBS Ladies Golf Network** stages a variety of member events ranging from golf tournaments to social occasions and parties. The lifeblood of any great club is its members and the camaraderie they enjoy. And there's no better way to foster that camaraderie than with well-organized, enjoyable events.

Social events will be held regularly throughout the year and offer members the chance to mingle with old friends and make new ones. Events range from informal cocktail hours and "mixers" to formal sit-down dinners after showing off your newfound skills on a 9 hole.
